Obtaining the Bidding Documents

The Issuing Office for the Bidding Documents is:

Prein & Newhof

3355 Evergreen Dr NE, Grand Rapids, MI 49525, (616) 364-8491

Kevin Koster, PE, kkoster@preinnewhof.com

Prospective Bidders may obtain or examine the Bidding Documents at the Issuing Office on Monday through Friday between the hours of **8 AM to 5 PM**, and may obtain copies of the Bidding Documents from the Issuing Office as described below. Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including addenda, if any, obtained from sources other than the Issuing Office. Builder's Exchanges are authorized to share the contract documents with other exchanges.

Bidding Documents also may be examined at:

City of Stanton, 225 S Camburn Street, Stanton, Michigan 48888

And the following Plan Rooms:

McGraw-Hill Dodge Builder's Exchange

Construction Association of Michigan Builder's Exchange

Grand Rapids Builder's Exchange

Bidding Documents may be viewed and ordered online by registering with the Issuing Office at www.preinnewhof.com/plan-room. Following registration, complete sets of Bidding Documents may be downloaded from the Issuing Office's website as portable document format (PDF) files. **Bidder assumes sole risk for any project specifications and plans, electronic or hard copy, obtained other than directly from Prein & Newhof. Hard copy drawings and specifications are available for the fee of \$415.00. Prein&Newhof Plan Room members who want to purchase the hard copy of the drawings only, may do so for \$243.00. A \$20 charge will be added to all mailed drawings and/or specifications. Fees are payable by cash or check only and are not refunded.** The date that the Bidding Documents are transmitted by the Issuing Office will be considered the Bidder's date of receipt of the Bidding Documents.

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.

American Iron and Steel

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials.

The following waivers apply to this Contract:

De Minimis,

Minor Components, and

Pig iron and direct reduced iron
